Here goes

NORIIKU TIMELINE

- Norihiko's first experience (with Mitsue) -> 15 yrs old
  bocchan was 5 ※ vol 1, chapter 3
- After graduation started his service
  (will be drawn in detail later)
- Norihiko, for the custom of sneaking into a girl's room at night for sex, had relations with many women in the village
- Noriiku's first kiss (After Mitsue's death) -> Bocchan 12 yrs old, Nori 22 yrs old ※ a 10-year age gap
  from here, the events follow bocchan's age
- Bocchan's first ejaculation -> 14 yrs old
  ※rewind back to vol 1 chapter 5
- Anal fingering -> 14 yrs old
  (it always comes in a set) w/ 2 times a month
- First intercrural sex -> Bocchan 15
  ※ 2nd vol. 10th chapter
- Cutting down due to university entrance exams -> 17-18 yrs old
- Cutting down even more due to university in Tokyo -> 18-20 yrs old
  about once in 4 months
- Meeting with Iida -> 20 years old
- Marriage with Sachiko -> 21 years old
  ↕ about half a year
- First penetration -> 22 yrs old
- Midst of committing adultery -> 22 yrs old

During this time, he had many married women as his partners but after he reached the age of 25, with his manners, he also got teenagers as his partners And he only did it with them in the back, pretending to protect their virginity while he was thinking of bocchan's ass The above just serves to say that Norihiko's male parts are rather healthy

A 16 YEAR OLD'S BUTT WILL ONLY BE THERE AT AGE 16 THOUGH!

Proof that Norihiko-san is a gentleman

THIS STORY IS FROM HERE!

A MAN WITH SHORT NAILS IS A GOOD MAN!

Bocchan's self-development (usually with a max of 12 fingers)

Hello there, Psyche here As usual, though it's numbered, it's not a sequel to my previous works It's a psychedelics which you can read starting from anywhere It's amazing that already 11 series have been published I want to sing my praises! By the way, the book collection of chapters 1-6 is out now A part of my books are now digitalised Just go onto each of those online platforms and search for "彩景でひこ" This time's Tourou no Ori story was partly shown in the flashback during the 2nd vol's 9-10th chapters After bocchan unexpectedly ejaculated from his father's severe scolding and spanking and felt good from that, this and that happened, which led to his first intercrural sex with Norihiko! To put the plot bluntly! The rest of the series is still under continuation so please enjoy this side chapter!
